LETTER FROM THE PRESIDENT

Dear Graduates,

Welcome to the December 2009 Commencement exercises at California State University, San Bernardino. As graduates, you are the pride of our university community, and it's my great pleasure to celebrate with you, your families and friends as you pass this important milestone in your life's journey. This is truly a joyous occasion.

I'm delighted for each of you – and especially those of you who are the first in your families to graduate from college, which was my experience. For every graduate today, please know the pride that your loved ones feel for you at this special time.

Receiving a college degree is a real achievement, one which required commitment and hard work. I know that I echo the sentiments of our faculty and staff in wishing only the best for you in both your careers and your personal lives.

Although it's become common knowledge, these facts bear repeating today: The holder of a college degree can expect on average to earn more than \$1 million more in a lifetime than his or her high school graduate classmate who never attended college. But receiving a degree is about more than just money. Studies show that college graduates are more likely to be employed, more likely to vote in elections and participate in civic affairs, more likely to volunteer for worthwhile causes, and more likely to have a better understanding of the world around them. In short, you are apt to be more fully developed because of the perspectives offered by your education.

Our growing and influential campus always will be here for you – to support you in the future and to celebrate other accomplishments in the coming years. We hope you'll stay connected by notifying us of address changes, marriages, births, additional degrees, employment changes and the like by joining our alumni association.

Again, my congratulations and applause to each of our graduates. I very much look forward to greeting you as you cross the platform today.

A handwritten signature in black ink that reads "Albert K. Karnig". The signature is written in a cursive, flowing style.

UNIVERSITY-WIDE HONORS AND DISTINCTIONS

Departmental Honors (DH)

Candidates who have earned Departmental Honors wear various color cords as a special mark of the distinction they have achieved.

Golden Key (GK)

Candidates for Golden Key International Honour Society are selected from juniors, seniors and graduate students in the upper 15 percent of their class. Golden Key International was founded at the Georgia State University in 1977; California State University, San Bernardino's chapter was established in 2002.

McNair Scholars (MS)

The McNair Scholars program is an intensive graduate school preparation program funded by the United States Department of Education. Student scholars are recommended by CSUSB faculty and must maintain a minimum grade point average of 3.0 and complete a six-week summer research internship. Scholars present their research at conferences throughout the United States and abroad.

Phi Beta Delta (PBD)

Candidates for the Honor Society for International Scholars Phi Beta Delta are nominated by active members of the society. Domestic students who qualify for membership must have excelled in their study abroad classes and have, if an undergraduate, a 3.2 grade point average, or if a graduate, a 3.5 grade point average. International students must have an excellent academic record at CSUSB: if an undergraduate, a 3.2 GPA, if a graduate, a 3.5 GPA. Phi Beta Delta was founded at California State University, Long Beach in 1986; California State University, San Bernardino's chapter was established in 1995.

Phi Kappa Phi (PKP)

Candidates for the Honor Society of Phi Kappa Phi, which covers all disciplines, are selected from juniors in the upper 7.5 percent of their class and from seniors and graduate students in the upper 10 percent of their classes. Phi Kappa Phi was founded at the University of Maine in 1897; California State University, San Bernardino's chapter was established in 1979.

President's Academic Excellence Scholarship (PAES)

San Bernardino County high school students who rank in the top 1 percent of their graduating class are eligible to receive the President's Academic Excellence Scholarship at Cal State San Bernardino. PAES recipients receive an annual scholarship to attend CSUSB, renewable up to four years as long as the recipients are full-time students and maintain a 3.5 grade point average. The scholarship helps to cover up to \$5,000 in student fees. The President's Academic Excellence Scholarship program is made possible through the generous support of local corporations, foundations and individuals.

Rogers Scholars (RS)

The Rogers Scholars Program located at the Cal State San Bernardino Palm Desert Campus was created through the generous support of the Mary Stuart Rogers Foundation. Recipients, called Rogers Scholars, demonstrate exceptional academic records, outstanding leadership qualities, a sincere commitment to their own personal growth, and show a desire to serve their fellow students and communities.

University Honors, High Honors and Highest Honors (UH), (UHH), (UHstH)

University Honors at graduation are awarded to undergraduate students in three classifications based on all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Highest Honors 3.9, High Honors 3.75 and Honors 3.5. 2009 candidates for degrees are listed with honors based upon their grade-point averages at the conclusion of the quarter prior to commencement. Students who have earned university honors through winter are eligible to wear honors cords as a special mark of the distinction they have achieved.

HONOR SOCIETIES at California State University, San Bernardino

Membership in **Beta Alpha Psi** is offered to junior and senior students who have a 3.0 GPA with a declared concentration in accounting, finance, or information systems and who will have the opportunity for self-development and affiliation among members and practicing business professionals. The Iota Eta Chapter founded in 1997, has been nationally awarded Superior Chapter for the last three years and has come to be a well recognized organization in the local business community. Beta Alpha Psi sashes are black and red.

Membership in **Beta Gamma Sigma** is offered by invitation only to the top 10 percent of juniors and seniors and the top 20 percent of business master's students, only at institutions accredited by the prestigious Association to Advance Collegiate Schools of Business (AACBS International). This is the highest business honor society recognition internationally. The CSUSB Chapter of Beta Gamma Sigma was chartered in 1995 and has been awarded Exemplary Chapter status by BGS Headquarters for the last three years in a row. Sashes are royal blue and gold.

Eta Sigma Gamma is the National Health Education Honorary Society, with headquarters on the campus of Ball State University in Muncie, Ind. The Delta Delta chapter of ESG was installed on the CSUSB campus on May 5, 1998. Membership requirements include a 3.0 GPA, and participation in a minimum of two professional or club events per year. Annual club activities have included organizing and sponsoring the Health Science Winter and Spring Banquets, participation in the American Cancer Society's Relay for Life (which ESG began on the CSUSB campus), hosting the American Lung Association Inland Empire Conference at CSUSB, tree-planting, a Valentine's Day Rose Sale, club T-shirt sale, plus sponsoring a quarterly "Meet the Professional" for Health Science students. Membership is currently open to all health science undergraduate and graduate students; dues are \$10 per quarter. New members are inducted bi-annually at the winter or spring banquet.

Lambda Pi Eta, the national honor society of the National Communication Association (NCA), recognizes, fosters and rewards outstanding scholastic achievement by students in the discipline of communication studies, promotes and encourages professional development among communication majors, and provides them with opportunities to discuss and exchange ideas, establish and maintain closer relationships with faculty, and explore options for graduate education in the discipline.

Omicron Delta Epsilon is one of the world's largest academic honor societies. Its objectives include recognizing outstanding scholastic achievement in economics; establishing closer ties between students and faculty of economics within and across universities; publishing its official journal, *The American Economist*; and sponsoring panels at professional meetings as well as the Irving Fisher and Frank W. Taussig research competitions. The CSUSB chapter of ODE is called Alpha Delta and was founded in 1985.

The purpose of the **Phi Alpha Honor Society** is to provide a closer bond among students of social work and promote humanitarian goals and ideas. Phi Alpha fosters high standards of education for social work students and invites into membership those who have attained excellence in scholarship and achievement in social work.

Alpha Delta Nu is CSUSB's chapter of the Phi Alpha Theta national honor society. Phi Alpha Theta is a professional organization designed to promote the study of history and encourage excellence in historical research, teaching, and publication. Membership in Phi Alpha Theta is reserved for exemplary students who have achieved at least a 3.0 overall GPA. CSUSB's Alpha Delta Nu strives to uphold the standards of the national society by encouraging students to participate in the thoughtful and critical study of history. To achieve these goals, Alpha Delta Nu sponsors field trips, guest speakers, and publication of a student journal of history. Members of CSUSB's Alpha Delta Nu chapter of Phi Alpha Theta wear blue and red honor cords.

Pi Sigma Alpha, the National Political Science Honor Society, is the only honor society for college and university students of government in the United States. At present, there are 621 Pi Sigma Alpha chapters on campuses across the country. Pi Sigma Alpha is a member of the Association of College Honor Societies. Members of Pi Sigma Alpha wear black and red cords. The CSUSB chapter has twice won a national best chapter award.

Sigma Delta Pi (Zeta Pi Chapter) is a National Collegiate Hispanic Honor Society (La Sociedad Nacional Honoraria Hispanica) that honors those who attain excellence in the study of the Spanish language and in the study of the literature and culture of the Spanish-speaking peoples; honors those who have made the Hispanic contributions to modern culture better known in the English-speaking world; encourages college and university students to acquire a greater interest in and a deeper understanding of Hispanic culture; fosters friendly relations and mutual respect between the nations of Hispanic speech and those of English speech; and serves its membership in ways which will contribute to the attainment of the goals and ideals of the society.

Sigma Pi Sigma exists to honor outstanding scholarship in physics; to encourage interest in physics among students at all levels; to promote an attitude of service of its members towards their fellow students, colleagues, and the public; to provide a fellowship of persons who have excelled in physics. Sigma Pi Sigma's mission is not completed in the induction ceremony with the recognition of academic accomplishment. In the four dimensions of Honor, Encouragement, Service, and Fellowship, the mission of Sigma Pi Sigma takes a longer view. Founded in 1921, Sigma Pi Sigma is a member honor society of the Association of College Honor Societies. The society has some 75,000 historical members. Election to Sigma Pi Sigma is a lifetime membership.

The CSUSB Chapter **Sigma Tau Delta**, International English Honor Society, seeks to: confer distinction for high achievement in the study of English language and literature at Cal State San Bernardino; promote interest in English and American language and literature at CSUSB and in the surrounding community; foster the discipline of English in all its aspects, including creative and critical writing; promote good fellowship among its members and exhibit high standards of academic excellence. Membership is by invitation only to students chosen on the basis of superior scholarship, as reflected both in their college grade point averages and the quality of their departmental coursework in English. To be considered for membership, a student must be enrolled in an English program at CSUSB and have completed a minimum of three English courses at the university at the 200-level or above.

Membership in **Sigma Theta Tau** is by invitation to baccalaureate and graduate nursing students who demonstrate excellence in scholarship, and to nurse leaders exhibiting exceptional achievements in nursing. The vision of the Honor Society of Nursing is to create a global community of nurses who lead in using knowledge, scholarship, service and learning to improve the health of the world's people. Members of Sigma Theta Tau International wear orchid and white honor cords.

COMMENCEMENT SYMBOLISM AND TRADITION

Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at Commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The university mace was designed and fashioned by Mark Petherbridge, B.A., Art, 1985, with technical supervision from Roger Lintault, Professor of Art, Emeritus, 2000.

UNIVERSITY HISTORY

A young, vibrant university, California State University, San Bernardino serves San Bernardino and Riverside counties, which covers 29,000 square miles – a territory larger than 10 states in the nation. Some 68,000 alumni hail from CSUSB, including many who work in Southern California and make a major positive impact on the economy. Opened in 1965, CSUSB currently enrolls more than 17,000 students.

The university offers more than 70 traditional baccalaureate and master's degree programs and a wide variety of education credential and certificate programs, including many that have earned national recognition. Its business and entrepreneurship programs are nationally respected, as evidenced by CSUSB's 2006 ranking of fourth in the United States for graduate entrepreneurship programs. Cal State San Bernardino is distinguished as the first Inland Empire university with prestigious national accreditation for its College of Business and Public Administration. The university's programs in computer science and engineering, geographic, information and decision sciences, psychology, health, kinesiology, English, public administration, accounting and finance, national security studies and many others are all highly regarded. The university is one of the nation's largest teacher-training institutions. Moreover, the College of Education figures to grow as it moves into its third year of the university's first doctoral program, which began in fall 2007. CSUSB's extended education programs in business writing and language skills, technology, entrepreneurship and conference management are some of the state's busiest. The university's student population is one of the most diverse in California, with a student enrollment so diverse that there is no majority ethnic group on campus.

The growth of the region has meant continued capital development for the university, which continues to construct new facilities to provide students, faculty and staff with an excellent learning and working environment equipped with superior technological capabilities.

Located equidistant between Los Angeles and the Palm Springs area, Cal State San Bernardino also has a permanent branch campus in Palm Desert, where a unique public-private partnership has built facilities with funds raised from municipalities, corporations, foundations and individuals. Some 1,000 students are enrolled in classes at the CSUSB Palm Desert Campus.

CSUSB Alumni

CONGRATULATIONS, CLASS OF 2009!

Now is the time to look ahead and take advantage of the exciting opportunities that await you as one of CSUSB's newest alumni.

Stay connected to your alma mater! For more than 40 years the Alumni Association has been a vital part of the CSUSB community. The Association exists to support campus programs that provide outstanding service to alumni and students and that bring prestige to the university.

Why should you become a member? Besides great benefits and privileges, membership in the Alumni Association allows you to give back to your alma mater. Membership fees go a long way in helping the Association to:

- Recruit and reward some of the region's most talented and deserving students through the Alumni Scholars program;
- Honor alumni, students and departments for their extraordinary achievements; and
- Help our newest grads transition from college students to alumni at Grad Days, the university's award-winning "Welcome to the alumni family!" celebration.

What's in it for you? Let the Alumni Association keep you connected to CSUSB with our online monthly newsletter, The Cal State Connection. Or post a résumé or job opportunity on the Association's web site, www.csusbalumni.com, and take advantage of our network of over 68,000 alumni. Members also enjoy exclusive on-campus discounts and privileges – like saving 25% at the Coyote Bookstore*, 10% on College of Extended Learning courses*, and \$20 off men's basketball season tickets.

How do you join? Getting the Alumni Advantage has never been easier or more convenient! Join online at www.csusbalumni.com, or call the Alumni Office at (909) 537-3700, to request an application.

ALMA MATER

By Loren Filbeck, D.M.A.

Professor Emeritus of Music

Beneath the shimm'ring mountains,
Near sea and desert sand,
Our Alma Mater stands secure,
Truth's light held in her hand.
Her youth and energy we share
As we reach t'ward wisdom's door,
Her name we laud and gladly bear,
With pride our spirits soar.

San Bernardino, our Alma Mater,
We sing our praise to thee.
San Bernardino, as sons and daughters
We pledge faith and loyalty.
